Rural Electric Membership Corporation
4151 E. U.S. Highway 24 P.O. Box 400
Goodland, Indiana 47948
Phone: 219-297-3118

The Newton County REMC Board of Directors declared that the Capital Credits that were allocated to members for the years 1971 & 1972 are eligible for distribution, with the payments that began in January 2024. Members and heirs of members who received electric service during these years are eligible to file claims. Capital credits are funds received by the Co-op above the cost of operation, which are allocated to accounts of members annually. These Capital Credits are retired and paid out when the Board of Directors determines that the Co-op is financially sound and the distribution of these Capital Credits will not compromise the Co-op's financial integrity. If you were a member from 1971 to 1972 and purchased electricity, please call the office so we can help you file a claim form. If you are an heir of a member from 1971 to 1972 who is now deceased, you may call the office and we will help you complete a Capital Credit claim form. You have until December 31, 2025 to claim them. Claim forms and complete lists of all capital credits payable can also be found at our website, www.newtoncountyremc.com.
